

# Letter of Invitation

Kingdom Champions and Game Changers...

Calling God fearing leaders from marketplace and ministry.

The Maine Elder Coalition invites you to participate in the upcoming New England Kingdom Leaders Congress - MAINE.

During this year's Congress leaders from all cultural spheres of influence will gather. Your voice is valued and desired. As we collaborate during the morning and afternoon sessions, the issues to be acted upon will be exposed, identified and clarified. Each evening the Assembly will act in governmental fashion.

Thursday evening March 12, is a special Assembly as Elders from across New England will gather for the purpose of addressing region-wide issues. Expect the evening to resound with powerful exhortation and prophetic decrees and judgements.

As you are a mature leader, your presence is requested. Please know that, like Esther, Daniel and Joseph, you have obtained influence in the Kingdom for 'such a time as this'!

Please clear your calendar for the dates of March 12, 13,14.

Our Nation is celebrating our 250th anniversary. Yet much chaos is present in our cities and institutions. The work of Jesus' Ekklesia is un-finished. Darkness must continually be confronted and pushed back. A holy remnant must arise to take responsibility and call our region to faith and obedience to the Gospel of the Kingdom.

When His Kingdom leaders are ready and able, God will send the move. It is time. We are ready. He has made us able.

I look forward to our time together. May King Jesus be glorified!  
The schedule for the Congress is posted below.

*Dr John Eckhardt* (for the Maine Elder Coalition)
